AGEING POTENTIAL	3 - 8 YEARS FROM
VOLUME	815 CASES (6X750ML)
FOOD PAIRING	BEEF FILLET STEAK SLOW-COOKED VENISON BRAISED BEEF SHORT RIBS

VINTAGE CONDITIONS

A dry summer with warm days and consistently cool nights that ensured good ripening alongside flavour development.

WINEMAKING / MATURATION

Hand harvested in the early mornings. If the season requires, the grapes are chilled for a pre cold soak in small stainless tanks. The grapes are then destemmed, and hand sorted. Some of the grapes will go into small open top fermentation tanks for a quick warm natural fermentation and some of it will go in closed tanks for an extended maceration. Sometimes up to 30 days after picking. This creates additional structure, as well as softening of the tannins. Malolactic fermentation is in stainless steel and the finished wine is left on the sediment for another 3 months before racking. The wine is then moved to 100 % new Francois Freres and Seguin Moreau barrels for 16 – 27 months ageing. No finings before bottling.

TASTING NOTES

A Ruby red colour, with a beautiful perfume of black cherry, plum, vanilla pod, milk chocolate and oak spice. The seductive, aromatic fruit profile is lifted by a bright acidity, and supported by plush integrated tannins.
